

# VYSO NEWS SUMMER, 2010

Volume 8, Issue 8

Summer, 2010

What an amazing season! From the VYSO's performance at the 2010 Vancouver Winter Olympics to our 80th Anniversary Concert at the Chan, this has been our most exciting and eventful season in 80 years!

We would like to express a sincere and heartfelt thank you to every member of the VYSO for your dedication, generosity and support this season! It is through the generosity of our members and supporters that the VYSO is able to fulfill its mission to provide accessible, high caliber orchestral training for young musicians and foster an enduring love of music in the community. We appreciate each and every one of you!

Congratulations to every volunteer, musician and supporter of the VYSO!

Have a happy summer!

Auditions for the season are now over and all applicants should receive their results in the mail by mid-July. Remember: to secure your seat in the orchestra, we must receive your registration materials by Friday, July 30, 2010 or alternate arrangements must be made with the VYSO office staff.

During the summer, the VYSO office is open Tues - Fri 9:00a.m.-5:00p.m. Please note that during the month of August, office hours will be irregular due to holidays. Please call in advance if you plan to drop by.

## Special thanks to our supporters:
